STATE WATER RIGHTS BOARD

License for Diversion and Use of Water

APPLICATION 16189

PERMIT 12894

LICENSE 8157

THIS IS TO CERTIFY, That

Samuel L. Wolf and Charlotte S. Wolf
P. O. Box 53
Richfield, California 96083

have made proof as of September 21, 1966,
(the date of inspection) to the satisfaction of the State Water Rights Board of a right to the use of the water of
Thomes Creek in Tehama County

tributary to Sacramento River

for the purpose of irrigation use
under Permit 12894 of the Board and that the right to the use of this water has been perfected in
accordance with the laws of California, the Regulations of the Board and the permit terms; that the priority of
this right dates from December 27, 1954 and that the amount of water to which this right is
entitled and hereby confirmed is limited to the amount actually beneficially used for the stated purposes and shall
not exceed two and five-tenths (2.5) cubic feet per second to be diverted from
about March 15 to about July 15 of each year.

Licensees shall at all times bypass a minimum of 5 cubic feet per second or the
natural flow of the stream whenever it is less than 5 cubic feet per second
until June 1 of each year at the point of diversion to maintain fishlife.

THE POINT OF DIVERSION OF SUCH WATER IS LOCATED:

North 22° 02' east 1,285 feet from SW corner of Section 33, T25N, R3W, MDB&M,
being within SW $\frac{1}{4}$ of SW $\frac{1}{4}$ of said Section 33.

A DESCRIPTION OF THE LANDS OR THE PLACE WHERE SUCH WATER IS PUT TO BENEFICIAL USE IS AS FOLLOWS:

17 acres within NW $\frac{1}{4}$ of NE $\frac{1}{4}$ of Section 3, T24N, R3W, MDB&M
36 Acres within NE $\frac{1}{4}$ of NE $\frac{1}{4}$ of Section 3, T24N, R3W, MDB&M
10 acres within NW $\frac{1}{4}$ of NW $\frac{1}{4}$ of Section 2, T24N, R3W, MDB&M
63 acres total

The right under this license is of equal priority with the right initiated by
the filing of Application 16188.

Licensee shall allow representatives of the Board and other parties, as may be authorized from time to time by the Board, reasonable access to project works to determine compliance with the terms of this license.

All rights and privileges under this license including method of diversion, method of use and quantity of water diverted are subject to the continuing authority of the Board in accordance with law and in the interest of the public welfare to prevent waste, unreasonable use, unreasonable method of use or unreasonable method of diversion of said water.

Reports shall be filed promptly by licensee on appropriate forms which will be provided for the purpose from time to time by the Board.

The right hereby confirmed to the diversion and use of water is restricted to the point or points of diversion herein specified and to the lands or place of use herein described.

This license is granted and licensee accepts all rights herein confirmed subject to the following provisions of the Water Code:

Section 1625. Each license shall be in such form and contain such terms as may be prescribed by the Board.

Section 1626. All licenses shall be under the terms and conditions of this division (of the Water Code).

Section 1627. A license shall be effective for such time as the water actually appropriated under it is used for a useful and beneficial purpose in conformity with this division (of the Water Code) but no longer.

Section 1628. Every license shall include the enumeration of conditions therein which in substance shall include all of the provisions of this article and the statement that any appropriator of water to whom a license is issued takes the license subject to the conditions therein expressed.

Section 1629. Every licensee, if he accepts a license does so under the conditions precedent that no value whatsoever in excess of the actual amount paid to the State therefor shall at any time be assigned to or claimed for any license granted or issued under the provisions of this division (of the Water Code), or for any rights granted or acquired under the provisions of this division (of the Water Code), in respect to the regulation by any competent public authority of the services or the price of the services to be rendered by any licensee or by the holder of any rights granted or acquired under the provisions of this division (of the Water Code) or in respect to any valuation for purposes of sale to or purchase, whether through condemnation proceedings or otherwise, by the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State, of the rights and property of any licensee, or the possessor of any rights granted, issued, or acquired under the provisions of this division (of the Water Code).

Section 1630. At any time after the expiration of twenty years after the granting of a license, the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State shall have the right to purchase the works and property occupied and used under the license and the works built or constructed for the enjoyment of the rights granted under the license.

Section 1631. In the event that the State, or any city, city and county, municipal water district, irrigation district, lighting district, or political subdivision of the State so desiring to purchase and the owner of the works and property cannot agree upon the purchase price, the price shall be determined in such manner as is now or may hereafter be provided by law for determining the value of property taken in eminent domain proceedings.
